# ***SPRINTA***

*Fast • Powerful • Compact*

## **Welcome to the New Era in Automatic Pool Cleaning**

The revolutionary Sprinta is everything you want in an Automatic Pool Cleaner.

• **Fast** • **Powerful** • **Compact**

Sprinta easily negotiates every obstacle to give you a clean pool faster.

### **Suitable for all Pools**

Sprinta works perfectly in all pool shapes and sizes.

### **The Powerful Sprinta Turbine**

#### **Fast Powerful Cleaning**

It's Sprinta's unique Turbine Drive System that makes it remarkably fast and powerful to clean your pool in record time.

#### **Maximum Suction**

Sprinta's efficient design, allows for maximum continuous suction, for a pool that is always clean.

### **Intelligent Steering System**

#### **Unstickable**

Sprinta's Intelligent Steering System is the brain behind its superior performance. The unique Intelligent Steering System guides Sprinta across every inch for a spotlessly clean pool.

#### **Self Cleaning**

The Intelligent Steering System is self cleaning, giving Sprinta a long and trouble free working life.
